

The Kindergarten at Deane Porter is proud to present our ongoing sneaker drive fundraiser.

In the spirit of environmental and economic sustainability, we have partnered with GotSneakers, a sneaker recycling organization, which will accept any pair of wearable athletic sneakers plus all other styles and conditions of footwear that we collect.

After the sneakers are collected, GotSneakers will process and distribute these sneakers around the world, specifically within impoverished nations. It is estimated that over 300 million pairs of sneakers are thrown away each year in America's landfills and that over 600 million adults and children worldwide live barefoot. We can touch the lives of thousands by simply cleaning out our closets and collecting our unwanted sneakers.

The request is simple: Clean out yours and your family's closets of all unwanted paired sneakers. Please bring them to Deane Porter. Our Kindergarteners have made collections boxes and have placed them throughout the school.

Thank you for your partnership and support!
