

A few notes about safety during arrival and dismissal

In order to provide a safer arrival and dismissal process for the DP community, please be mindful of the following:

- **Be aware of your surroundings as you enter and leave the parking lot during rolling car line. Please refrain from using your cell phone.**
- **Every family is receiving a red name tag to be displayed clearly in the windshield of the car during Rolling Car Line dismissal.**
- **Please do not park in the DP parking lot before 9:00am or after 2:45pm to pick up or drop off children to school.**
- **Please do not park in the designated police space (located at the bend in the parking lot). Please make sure you have proper identification when parking in the handicap space.**
- **Please do not park in the grass in front of the RFH field across from the school.**
- **Never pick up your child in the bus lane.**
- **Students and parents may not walk through the parking lot during the arrival or dismissal of students. If you are walking to your car, *which should be parked on the street and not in the DP parking lot*, or to your house, you need to stay on the sidewalks and cross at the designated crosswalks.**

Blackpoint Drop Off

Arrival Only

- **Blackpoint drop Off is a continuous process. Parents choosing this option must remain in their car in an effort to expedite this procedure.**
- **Automobiles are to pass to pull up to the curb on Blackpoint Road between Forrestdale's parking lot and Deane-Porter's front loop.**
- **Pick-up must be done within the traffic pattern.**
- **Staff will be monitoring drop off for the safety of students.**
- **Students should be able to open and close the car door on their own. *Students must exit through the passenger side of the car.* Students should be able to unbuckle/buckle their seat belts quickly on their own.**
- **Do not proceed around other vehicles. Wait for the vehicle in front of you to move before proceeding forward.**
- **Please remember to leave your house in plenty of time to have your child to school on time. The first bell is at 8:25 and at 8:30 all students must report directly to their homeroom to be marked present and on time. Attendance is posted to the office at 8:37 am.**
- **In inclement weather additional staff may be present to assist students to ensure their safety.**

Safety is our priority for our Arrival and Dismissal Procedures. Please be patient and adhere to these reminders.

Rolling Car Line

Dismissal ONLY

Please adhere to Rolling car Line procedures to keep all safe.

- The rolling car line is a continuous process. Parents choosing this option must remain in their car in an effort to expedite this procedure.
- Automobiles are to pass to the left of the buses. As they enter the parking lot they are to stay to the right.
- Pick-up must be done within the traffic pattern in the parking lot in front of Deane-Porter School.
- Please place *Family Name Card* on the windshield so it is clearly visible at dismissal.
- Mrs. Brink, our custodian, will be monitoring traffic for the safety of students.
- Students should be able to open and close the car door on their own. *Students must enter through the passenger side of the car.* No student is permitted to cross into the parking lot. Students should be able to unbuckle/buckle their seat belts quickly on their own.
- Do not proceed around other vehicles. Wait for the vehicle in front of you to move before proceeding forward.

Thank you for your cooperation in keeping our students safe.

Best regards,
Shari Feeney

Principal, Deane-Porter School
