
GIFTS, GRANTS AND BEQUESTS

Only the board of education may accept for the school district any bequest or gift or money, property, or goods, except that the superintendent may accept on behalf of the board any such gift of less than \$500 in value.

The board reserves the right to refuse to accept any gift which does not contribute toward the achievement of the goals of this district or the ownership of which would tend to deplete the resources of the district.

Any gift accepted by the board or the superintendent shall become the property of the board, may not be returned without the approval of the board, and is subject to the same controls and regulations as are other properties of the board. The board shall be responsible for the maintenance of any gift it accepts.

The board will make every effort to honor the intent of the donor in its use of the gift, but reserves the right to utilize any gift it accepts in the best interest of the educational program of the district. In no case shall acceptance of a gift be considered to be an endorsement by the board of a commercial product or business enterprise or institution of learning.

Grants

Staff members are encouraged to seek out sources of grants and gifts, and bring them to the attention of the superintendent, who shall investigate the conditions of such grants and make recommendations to the board regarding the advisability of seeking them.
