### 2361 ACCEPTABLE USE OF COMPUTER NETWORKS/ COMPUTERS AND RESOURCES

The Board of Education recognizes as new technologies shift the manner in which information is accessed, communicated, and transferred; these changes will alter the nature of teaching and learning. Access to technology will allow pupils to explore databases, libraries, Internet sites, and bulletin boards while exchanging information with individuals throughout the world. The Board supports access by pupils to these information sources but reserves the right to limit in-school use to materials appropriate for educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes technology allows pupils access to information sources that have not been pre-screened by educators using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer networks and declares unethical, unacceptable, or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, and/or instituting legal action.

The Board provides access to computer networks/computers for educational purposes only. The Board retains the right to restrict or terminate pupil access to computer networks/computers at any time, for any reason. School district personnel will monitor networks and online activity to maintain the integrity of the networks, ensure their proper use, and ensure compliance with Federal and State laws that regulate Internet safety.

#### Standards for Use of Computer Networks

Any individual engaging in the following actions when using computer networks/computers shall be subject to discipline or legal action:

- A. Using the computer networks/computers for illegal, inappropriate or obscene purposes, or in support of such activities. Illegal activities are defined as activities that violate Federal, State, local laws and regulations. Inappropriate activities are defined as those that violate the intended use of the networks. Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer networks/computers to violate copyrights, institutional or third party copyrights, license agreements or other contracts.

Harassment, Intimidation, and Bullying

### A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a pupil. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the pupil, as well as the natural or adoptive parent(s) of the pupil, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

### B. Harassment, Intimidation, and Bullying Definition

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability; or
2. By any other distinguishing characteristic; and that
3. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3, that substantially disrupts or interferes with the orderly operation of the school or the rights of other pupils; and that
4. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or

5. Has the effect of insulting or demeaning any pupil or group of pupils; or
6. Creates a hostile educational environment for the pupil by interfering with a pupil's education or by severely or pervasively causing physical or emotional harm to the pupil.

"Electronic communication" means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

### C. Pupil Expectations

The Board expects pupils to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other pupils and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Pupil Conduct.

The Board believes that standards for pupil behavior must be set cooperatively through interaction among the pupils, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages pupils to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of pupils, staff, and community members.

Pupils are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Pupil Conduct as opportunities to help pupils learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with pupils shall apply best practices designed to prevent pupil conduct problems and foster pupils' abilities to grow in self-discipline.

The Board expects that pupils will act in accordance with the pupil behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Pupil responsibilities (e.g., requirements for pupils to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;

3. Pupil rights; and
4. Sanctions and due process for violations of the Code of Pupil Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, pupils, instructional staff, pupil support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for pupil conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for pupil conduct will take into consideration the developmental ages of pupils, the severity of the offenses and pupils' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all pupils in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to pupils and their parents or guardians the rules of the district regarding pupil conduct. Provisions shall be made for informing parents or guardians whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Pupils are encouraged to support other pupils who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to pupils who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

### D. Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for pupils who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Pupil Conduct, and the consequences and remedial responses for staff members who commit one or more acts of harassment, intimidation, or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by pupils. Appropriate consequences and remedial actions are those that are graded according to the severity of the offense(s), consider the developmental ages of the pupil offenders and pupils' histories of inappropriate behaviors, per the Code of Pupil Conduct and N.J.A.C. 6A:16-7.

#### Factors for Determining Consequences

### F. Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with pupils are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with pupils, also shall submit a report in writing to the Principal within two school days of the verbal report. The Principal will inform the parents of all pupils involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Pupils, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. Pupils, parents, and visitors may report an act of harassment, intimidation, or bullying anonymously. Formal action for violations of the Code of Pupil Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

Harassment, Intimidation, and Bullying

A parent, pupil, legal guardian, or organization may file a complaint with the Division on Civil Rights within one hundred eighty days of the occurrence of any incident of harassment, intimidation, or bullying based on membership in a protected group as enumerated in the "Law Against Discrimination," P.L.1945, c.169 (C.10:5-1 et seq.).

### I. Range of Responses to an Incident of Harassment, Intimidation, or Bullying

The Board authorizes the Principal of each school, in conjunction with the Anti-Bullying Specialist, to define the range of ways in which school staff will respond once an incident of harassment, intimidation, or bullying is confirmed, and the Superintendent shall respond to confirmed harassment, intimidation, and bullying, according to the parameters described in this Policy. The range of ways in which school staff will respond shall include an appropriate combination of counseling, support services, intervention services, and other programs. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building, or school district level or by law enforcement officials.

Consequences and appropriate remedial actions for a pupil who commits an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37-1, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term Suspensions, N.J.A.C. 6A:16-7.3, Long-term Suspensions and N.J.A.C. 6A:16-7.5, Expulsions.

In considering whether a response beyond the individual level is appropriate, school officials shall consider the nature and circumstances of the act, the degree of harm, the nature and severity of the behavior, past incidences or past or continuing patterns of behavior, and the context in which the alleged incident(s) occurred. Institutional (i.e., classroom, school building, school district) responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based harassment, intimidation, or bullying prevention program models, to training for certificated and non-certificated staff, to participation of parents and other community members and organizations, to small or large group presentations for fully addressing the actions and the school's response to the actions, in the context of the acceptable pupil and staff member behavior and the consequences of such actions, and to the involvement of law enforcement officers, including safe schools resource officers.

Harassment, Intimidation, and Bullying

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The Board is encouraged to set the parameters for the range of responses to be established by the Principal, in conjunction with the Anti-Bullying Specialist, and for the Superintendent to follow. The range of responses to confirmed harassment, intimidation, or bullying acts should include individual, classroom, school, or district responses, as appropriate to the findings from each incident. Examples of responses that apply to each of these categories are provided below:

1. Individual responses can include positive behavioral interventions (e.g., peer mentoring, short-term counseling, life skills groups) and punitive actions (e.g., detention, in-school or out-of-school suspension, expulsion, law enforcement report, or other legal action).
2. Classroom responses can include class discussions about an incident of harassment, intimidation or bullying, role plays, research projects, observing and discussing audio-visual materials on these subjects, and skill-building lessons in courtesy, tolerance, assertiveness, and conflict management.
3. School responses can include theme days, learning station programs, parent programs, and information disseminated to pupils and parents or guardians, such as fact sheets or newsletters explaining acceptable uses of electronic and wireless communication devices or strategies for fostering expected pupil behavior.
4. District-wide responses can include community involvement in policy review and development, professional development programs, adoption of curricula and school-wide programs, coordination with community-based organizations (e.g., mental health, health services, health facilities, law enforcement officials, faith-based organizations), and disseminating information on the core ethical values adopted by the district Board of Education's Code of Pupil Conduct, per N.J.A.C. 6A:16-7.1(a)2.

The district will identify a range of strategies and resources, which could include, but not be limited to, the following actions for individual victims: counseling; teacher aides; hallway and playground monitors; schedule changes; before and after school supervision; school transportation supervision; school transfers; and therapy.

### J. Reprisal or Retaliation Prohibited

The Board prohibits a Board member, school employee, contracted service provider who has contact with pupils, school volunteer, or pupil from engaging in reprisal, retaliation, or false accusation against a victim, witness, one with reliable information, or any other person who has reliable information about an act of harassment, intimidation, or bullying or who reports an act of harassment, intimidation, or bullying. The consequence and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity and circumstances of the act, in accordance with case law, Federal and State statutes and regulations and district policies and procedures.

All suspected acts of reprisal or retaliation will be taken seriously and appropriate responses will be made in accordance with the totality of the circumstances. Examples of consequences and remedial measures for pupils who engage in reprisal or retaliation are listed and described in the Consequences and Appropriate Remedial Actions section of this Policy.

### 5615 SUSPECTED GANG ACTIVITY

Pupils that initiate, advocate, or promote activities, openly or otherwise, and/or threaten the safety or well-being of others disrupt the school environment and are harmful to the educational process in this school district. Any physical or verbal harassing, intimidating, or bullying conduct by a pupil or group of pupils directed toward any school staff member or any other pupil or group of pupils any where on school grounds, at any school related or sponsored activity, on school buses, at school bus stops, and any other place where pupils are supervised by school district staff will not be tolerated.

In the event the Principal or designee, believe any physical or verbal harassing, intimidating, or bullying conduct was, or is being committed, for the benefit of, at the direction of, or in association with a group of three or more persons, the school staff will investigate further to determine if the conduct was committed by those pupils representing a criminal street gang (hereinafter referred to as a "gang") as defined in N.J.S.A. 2C:44-3.h. If it is determined unacceptable conduct was committed by pupils representing a gang, the Principal or designee will assign appropriate disciplinary action and will notify the parent(s) or legal guardian(s) of the victim and the offender. The Principal or designee will also inform the Superintendent of Schools and local law enforcement.

To further ensure the safety and well-being of all pupils in the district and to increase awareness within the school community regarding potential gang activity, pupils are prohibited from wearing on school grounds, at any school related or sponsored activity, on school buses, and any other place where pupils are supervised by school district staff, any type of clothing or accessory that would indicate a pupil has membership in, or affiliation with, any gang associated with criminal activities pursuant to N.J.S.A. 18A:11-9.

### 5700 PUPIL RIGHTS

The Board of Education recognizes that pupils possess both the right to a free public education and the rights of citizenship. In granting pupils the educational opportunities to which they are entitled, the Board shall provide them with the nurture, counsel, and custodial care appropriate to pupils' ages and maturity. At the same time, the Board will respect the right of each pupil to equal treatment and equal access to the educational program, the due process of law, freedom of expression and association, and the privacy of his/her own thoughts.

Attendant on the rights guaranteed to each pupil are certain responsibilities, which include respect for the rights of others, obedience to properly constituted school authority, and compliance with the policies and regulations of this district.

As pupils differ in age and maturity, so they differ in the ability to assume both the rights and the concomitant responsibilities of citizenship. Accordingly, the exercise of each right will be granted with due regard for the degree of responsibility possessed by the pupil and the pupil's need for continuing guidance and control.

### 5701 PLAGIARISM

- A. Pupils are expected to be honest in all of their academic work. This means that they will not engage in any of the following acts:
1. Cheating on examinations, including but not limited to, the non-authorized use of books or notes, the use of crib sheets, copying from other pupils' papers, exchanging information with other pupils orally, in writing, or by signals, obtaining copies of the examination illegally and other similar activities.
  2. Plagiarism is not permitted in term papers, themes, essays, reports, images, take-home examinations, and other academic work. Plagiarism is defined as stealing or use without acknowledgment of the ideas, words, formulas, textual materials, on line services, computer programs, etc. of another person, or in any way presenting the work of another person as one's own.
  3. Falsifications, including forging signatures, altering answers after they have been graded, the insertion of answers after the fact, the erasure of grader's markings, and other acts that allow for falsely taking credit.
- B. A pupil found guilty of academic dishonesty may be subjected to a full range of penalties including, but not limited to, reprimand and loss of credit for all of the work that is plagiarized.
- C. A teacher who believes that a pupil has been academically dishonest in his/her class should resolve the matter in the following manner:
1. Reprimand the pupil orally and/or in writing. The teacher is also authorized to withhold credit in the work tainted by the academic dishonesty.
  2. If warranted, the teacher shall file a written complaint against the pupil with the Building Principal, requesting a more stringent form of discipline. The complaint must describe in detail the academic dishonesty that is alleged to have taken place, and must request that the matter be reviewed by the Building Principal.
  3. The Building Principal will determine if further discipline of the pupil is appropriate, and will determine the nature of the discipline on a case-by-case basis.

Adopted: 28 November 2012

### 5751 SEXUAL HARASSMENT

The Board of Education will not tolerate sexual harassment of pupils by school employees, other pupils, or third parties. Sexual harassment of pupils is a form of prohibited sex discrimination. School district staff will investigate and resolve allegations of sexual harassment of pupils engaged in by school employees, other pupils (peers), or third parties.

The Board shall establish a grievance procedure through which school district staff and/or pupils can report alleged sexual discrimination, including sexual harassment which may include quid pro quo harassment and hostile environment.

#### Definitions:

1. Quid pro quo harassment occurs when a school employee explicitly or implicitly conditions a pupil's participation in an educational program or activity or bases an educational decision on the pupil's submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the pupil resists and suffers the threatened harm or submits and thus avoids the threatened harm.
2. Hostile environment sexual harassment is sexually harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature) by an employee, by another pupil, or by a third party that is sufficiently severe, persistent, or pervasive to limit a pupil's ability to participate in or benefit from an educational program or activity, or to create a hostile or abusive educational environment.

This Policy protects any "person" from sex discrimination; accordingly both male and female pupils are protected from sexual harassment engaged in by school district employees, other pupils, or third parties. Sexual harassment, regardless of the gender of the harasser, even if the harasser and the pupil being harassed are members of the same gender is prohibited. Harassing conduct of a sexual nature directed toward any pupil, regardless of the pupil's sexual orientation, may create a sexually hostile environment and therefore constitute sexual harassment. Nonsexual touching or other nonsexual conduct does not constitute sexual harassment.

The regulation and grievance procedure shall provide a mechanism for discovering sexual harassment as early as possible and for effectively correcting problems.

Sexual Harassment

The Superintendent, or designee, will take steps to avoid any further sexual harassment and to prevent any retaliation against the pupil who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses. The school district staff can learn of sexual harassment through notice and any other means such as from a witness to an incident, an anonymous letter or telephone call.

This policy and regulation on sexual harassment of pupils shall be published and distributed to pupils and employees to ensure all pupils and employees understand the nature of sexual harassment and that the Board will not tolerate it. The Board shall provide training for all staff and age-appropriate classroom information for pupils to ensure the staff and the pupils understand what type of conduct can cause sexual harassment and that the staff know the school district policy and regulation on how to respond.

In cases of alleged harassment, the protections of the First Amendment must be considered if issues of speech or expression are involved. Free speech rights apply in the classroom and in all other programs in the public schools. The Superintendent, or designee, will formulate, interpret, and apply the policy so as to protect free speech rights of staff, pupils and third parties.

In addition, if the Board accepts federal funds, the Board shall be bound by Title IX of the Education Amendments of 1972 prohibiting sexual harassment of pupils. Title IX applies to all public school districts that receive federal funds and protects pupils in connection with all the academic, educational, extra-curricular, athletic, and other programs of the school district, whether they take place in the school facilities, on the school bus, at a class or training program sponsored by the school in a school building or at another location.

### 5338 DIABETES MANAGEMENT

Diabetes is a serious chronic disease and must be managed twenty-four hours a day in order to avoid the potentially life-threatening short-term consequences of blood sugar levels that are either too high or too low and the serious long-term complications of high blood sugar levels. In order to manage their diabetes, pupils must have access to the means to balance food, medications, and physical activity level while at school and at school-related activities.

The parent or legal guardian of a pupil with diabetes who seeks diabetes care for the pupil while at school shall inform the school nurse who shall develop an individualized health care plan and an individualized emergency health care plan for the pupil. The individualized health care plan and individualized emergency health care plan shall be updated by the school nurse prior to the beginning of each school year and as necessary in the event there is a change in the health status of the pupil.

The school nurse assigned to a particular school shall coordinate the provision of diabetes care at that school and ensure that appropriate staff members are trained in the care of pupils with diabetes, including staff members working with school-sponsored programs outside of the regular school day, as provided in the individualized health care plan and the individualized emergency health care plan. The school nurse shall have the primary responsibility for the emergency administration of glucagon to a pupil with diabetes who is experiencing severe hypoglycemia.

The school nurse shall designate, in consultation with the Superintendent of Schools or designee, additional employees of the school district who volunteer to administer glucagon to a pupil with diabetes who is experiencing severe hypoglycemia. The designated employees shall only be authorized to administer glucagon, following training by the school nurse or other qualified health care professional, when a school nurse is not physically present at the scene.

Upon the written request of the parent or legal guardian and as provided in a pupil's individualized health care plan, the pupil will be permitted to manage and care for his/her diabetes as needed in the classroom, in any area of the school or school grounds, or at any school-related activity provided the pupil has been evaluated and determined to be capable of doing so as reflected in the pupil's individualized health care plan.

School Integrated Pest Management Plan

### 7422 SCHOOL INTEGRATED PEST MANAGEMENT PLAN

The New Jersey School Integrated Pest Management Act of 2002 requires school districts to implement a school integrated pest management policy that includes an Integrated Pest Management Plan. In accordance with the requirements of the Act, the Board shall ensure implementation of Integrated Pest Management (IPM) procedures to control pests and minimize exposure of children, faculty, and staff to pesticides. These procedures shall be applicable to all school property in the Rumson School District.

#### IPM Coordinator (IPMC)

The Supervisor of Buildings and Grounds shall be designated as the district's Integrated Pest Management Coordinator (IPMC) and is responsible for the implementation of the school integrated pest management policy.

#### Integrated Pest Management Procedures in Schools

Implementation of Integrated Pest Management (IPM) procedures will determine when to control pests and whether to use mechanical, physical, cultural, biological, or chemical methods. Applying IPM principles prevents unacceptable levels of pest damage by the most economical means and with the least possible hazard to people, property, and the environment.

The Integrated Pest Management Coordinator (IPMC) shall consider the full range of management options, including no action at all. Non-pesticide pest management methods are to be used whenever possible. The choice of using a pesticide shall be based on a review of all other available options and a determination that these options are not effective or not reasonable. When it is determined that a pesticide must be used, low impact pesticides and methods are preferred and shall be considered for use first.

#### Development of IPM plans

The Superintendent, in collaboration with the school Building Principal(s) and the IPMC, shall be responsible for the development of the IPM Plan for the school district. The school district's Integrated Pest Management (IPM) Plan is a blueprint of how the school district will manage pests through IPM methods. The school district's IPM Plan will state the school district's goals regarding the management of pests and the use of pesticides for all school district property. The Plan will reflect the school district's site-specific needs and a description of how each component of the school district's Integrated Pest Management Policy and Regulation will be implemented for all school property.

Pupil Supervision After School Dismissal

### 8601 PUPIL SUPERVISION AFTER SCHOOL DISMISSAL

The Board of Education adopts this Pupil Supervision After School Dismissal Policy as a result of the New Jersey Supreme Court's decision in *Joseph Jerkins, an infant by his Guardian Ad Litem, Charles Jerkins; Charles Jerkins and Toni Jerkins, individually, v. Soweto Anderson; Kemba N. Anderson; John Does 1-10 (fictitious individuals) and ABC Corporations 1-10 (fictitious entities), and Board of Education of Pleasantville Public Schools and Rosemay Clarke.*

The New Jersey Supreme Court, in *Jerkins*, indicated dangers exist for younger pupils at dismissal as children are susceptible to numerous risks, including negligent conduct, when leaving school property. Because of these risks, the Board of Education adopts and requires the implementation of Policy 8601 for the supervision of younger pupils after dismissal. The supervision provisions of Policy Guide 8601 are applicable to parents or legal guardians of pupils attending district-operated schools or programs in grades Pre-Kindergarten to five who are not eligible for district-provided transportation after dismissal or are eligible and elect not to use district-provided transportation after dismissal.

Any parent(s) or legal guardian(s) of a pupil attending a district-operated school or program in grades Pre-Kindergarten to five, where the pupil is not eligible for district-provided transportation or is eligible and elects not to use district-provided transportation after dismissal may request the school or program not release the pupil to walk home after dismissal unless the pupil is released to the parent(s) or legal guardian(s) or escort(s) designated by the parent(s) or legal guardian(s). The parent(s) or legal guardian(s) requesting their child(ren) only be released to a parent(s) or legal guardian(s) or parent(s) or legal guardian(s)-designated escort after dismissal must submit a completed Request for Supervision at Dismissal from School Form to the Principal or designee, or program administrator.

The Form shall be made available:

1. In the Main office of the school building or the location of the program.
2. Upon request to the Principal, or designee, or the program administrator.
3. On the school or school district website.
4. To parent(s) or legal guardian(s) in the beginning of the school year.

Pupil Supervision After School Dismissal

Only those parents or legal guardians requesting the school or program not release their child(ren) to walk home after school dismissal unless the child(ren) is released to the parent(s) or legal guardian(s) or designated escort need to complete the Request Form.

In order for the school administration to effectively implement the requirements of this Policy and to ensure the safety and security of pupils that will be released to a parent(s) or legal guardian(s) or designated escort, the parental request shall be applicable for every school day and shall apply for a duration period of the entire school year. The Request Form must be re-submitted at the end of the duration period. In addition, a parent(s) or legal guardian(s) may rescind their Request by submitting a written request to the Principal or program administrator indicating the date in which the parent(s) or legal guardian(s) no longer requests the school provide supervision of their child(ren) after school dismissal. The child(ren) will be dismissed in accordance with typical dismissal protocol effective the date indicated in the rescinding request.

The Principal or designee, or program administrator upon receiving the Request for Supervision at Dismissal from School Form, shall notify the appropriate school staff member(s), and/or student based upon grade level who has supervision of the pupil at dismissal time at the end of the school day of the parent's or legal guardian's request. The supervising staff member that receives such notice shall retain supervision of the pupil when other pupils are dismissed from school at the end of the school day.

In the event the parent(s) or legal guardian(s) or designated escort does not arrive to pick up their child(ren) after the dismissal time of school, the Principal or designee will attempt to contact the parent(s) or legal guardian(s) using the district's emergency call procedures.

The pupil(s) shall be supervised by school staff in the designated area of the building and will only be released when the parent(s) or legal guardian(s) or designated escort arrives to pick up the pupil and signs the pupil out of school.

In the event of an emergency such that, when an unforeseen event prevents a parent or legal guardian or designated escort from arriving for the child(ren) at dismissal within the time period designated by the Principal or program administrator, the pupil will be relocated to the Main Office in the school building and will remain in the Main Office supervised by the Main Office staff until the parent(s) or legal guardian(s) or designated escort arrives and signs the pupil out of school.

Pupil Supervision After School Dismissal

In order to ensure the safety of other pupils being dismissed from school in accordance with typical school dismissal protocol, to limit interaction of parent(s) or legal guardian(s) or designated escorts with other pupils, and to avoid traffic and vehicular congestion outside the school building, the Principal or program administrator may prohibit the parent(s) or legal guardian(s) or designated escort from entering the school building until a time period after school has dismissed or until school buses and other vehicular traffic have cleared the school site. This determination may be made by each Principal or program administrator after considering the unique circumstances of the school building and the building's typical dismissal protocol.

The school will provide parent(s) or legal guardian(s) information regarding any supervised after-school services, if any, that may be available to pupils at the school's facilities after formal school dismissal.

This Policy shall be published in pupil/school handbooks. In addition, the school district shall provide to parent(s) or legal guardian(s) in the beginning of the school year, the school's calendar to include the starting and dismissal times for full session, half-session, and early dismissal days due to weather or other emergencies. Parent(s) or legal guardian(s) shall be required to return to the school a signed acknowledgement of receipt of the pupil/school handbook, which shall include this Policy and the school calendar. ### 9130 PUBLIC COMPLAINTS AND GRIEVANCES

Any person or group having a legitimate interest in the schools of this district may present a request, suggestion, or complaint concerning district personnel, the educational program, instructional or resource materials, or the operations of the district. The Board directs the establishment of procedures for the hearing and settlement of requests and complaints that provide a means for resolving them fairly and impartially, permit appropriate redress, and protect district personnel from unnecessary harassment.

When a Board member is confronted with an issue, he/she will withhold comment, commitment and/or opinion and refer the complaint or inquiry to the Superintendent, who shall review the complaint according to established procedures.

Only in those cases where satisfactory adjustment cannot be made by the Superintendent and the staff shall communications and complaints be referred to the Board for resolution.

Any misunderstandings or disputes between the public and school district staff should, whenever possible, be settled by direct, informal discussions among the interested parties. It is only when such informal meetings fail to resolve differences that more formal procedures shall be employed. A complaint about a school program or personnel should be addressed to the Building Principal; a complaint about instructional or resource materials should be addressed to the Superintendent.

The Superintendent shall establish procedures for the hearing of requests and complaints regarding district personnel, the educational program, instructional and resource materials, and the operation of the school district. Procedures will be governed by the following guidelines:

1. The matter will be resolved initially, wherever possible, by informal discussions between or among the interested parties.
2. A matter that cannot be resolved informally may be appealed at successive levels of authority, up to and including the Board of Education.
3. The complaint and its immediate resolution will be reduced to writing at the first and at each successive level of appeal.
4. A reasonable period of time, not to exceed ten working days, will be permitted for the filing of an appeal in writing at each successive level. A decision at each level of appeal must be rendered in writing no later than thirty working days after the appeal is filed, except that the Board shall have thirty calendar days to make its decision.

The Superintendent shall appoint a committee of professional staff members and community representatives to review the challenged material against the standards for the selection of resource materials established by Board policy. The committee will report its findings to the Board. No challenged material may be removed from the curriculum or from a collection of resource materials except by action of the Board of Education, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. In order for the educational program to continue undisturbed when visitors are present, and to prevent the intrusion of disruptive persons into the schools, the Superintendent shall devise regulations controlling visitors.

All visitors shall be required to report to the Principal's office upon entering the building.

A "visitor" is anyone other than a pupil enrolled in or a staff member employed in the particular school. Visitors may not consult with the teaching staff or pupils during class time without the Principal's permission.

When the parental rights of a parent have been terminated by a court of appropriate jurisdiction, the legal guardian must inform the school so that the administration may apply appropriate regulations. The Principal shall seek confirmation of legal custodianship where necessary.

No one may visit the school during school hours for the purpose of recommending or exhibiting books, maps, etc., to staff. No person shall be allowed to deliver any address or lecture on any subject unless authorized by the Superintendent or designee.

Cooperation Between Parents and School

### 9200 COOPERATION BETWEEN PARENTS AND SCHOOL

The Board of Education believes that the education of children is a joint responsibility that the Board shares with the parent(s) or legal guardian(s) of pupils. To ensure that the best interests of the child are served in this process, a strong program of communication between home and school must be maintained.

It is the position of the Board that parent(s) or legal guardian(s) bear the ultimate responsibility for their children's in-school behavior, including the behavior of pupils who have reached the legal age of majority, but are still for all practical purposes under parental authority.

The Board directs that cooperation be encouraged by parent-teacher conferences that permit two-way communication between home and school; open houses in district schools that provide parent(s) or legal guardian(s) with the opportunity to see the school facilities, meet the faculty, and observe the program on a first hand basis; meetings of staff members and groups of the parent(s) or legal guardian(s) of those pupils having special abilities, needs, or problems; and special events of a cultural, ethnic, or topical nature, which are initiated by parent groups, involve the cooperative effort of pupils and parent(s) or legal guardian(s), and are of general interest to the schools or community.

### 9210 PARENT ORGANIZATIONS

The Board will encourage the work of a general, voluntary, school-connected organization of parents/guardians, school staff and friends of the school. Such organizations may not establish educational policy, participate in the administration of the school, or authorize management and direction of school affairs.

Such organizations shall have as their objectives the promotion of pupil welfare; the development of close relationships between the home and the school; and the development between educators and the public of such united efforts as will secure for every pupil in the schools the best kind of educational program possible.

Organizations shall not use the district's name in their titles without the Board's express consent. Such permission to use the district's name does not constitute permission to act as the district's representative.

The Board shall make it a practice not to interfere in the internal workings of such groups.

Permission to hold regular meetings of such associations in school facilities will be extended by the Board of Education for a particular school year, in accordance with policy.

The school Principal or another professional staff member designated by the Principal may serve as advisor to the general parent/teacher organization and any other school-connected organization. All members of the professional staff shall be invited to join the organization and to participate in its activities.

Parental Responsibilities

### 9230 PARENTAL RESPONSIBILITIES

The Board believes that the education of children is a joint responsibility, one it shares with the parents/guardians of the school community. To ensure that the best interests of the child are served in this process, a strong program of communication between home and school must be maintained and parental involvement in district concerns encouraged.

The Board recognizes the vital role of parents/guardians in the welfare and education of their children and the pivotal part they play in shaping character and values. Because parents/guardians are familiar with the needs, problems, gifts and abilities of their children, staff should seek to involve parents/guardians as much as possible in the planning of the individual program.

Parents/guardians are requested to keep the school apprised of changes in factors in the home situation which may affect pupil conduct or performance. Parents/guardians are specifically requested to inform the school of any changes in legal custody of the child.

Parent(s) or legal guardian(s) can help children learn by:

1. Requiring that children obey all school rules and by accepting responsibility for a child's improper conduct;
2. Sending children to school with proper attention to health, personal cleanliness, and dress;
3. Maintaining an active interest in each child's daily work and making it possible for the child to complete assigned homework by providing a quiet place and suitable conditions for study;
4. Reading communications from the school and signing and returning them promptly when so requested;
5. Attending conferences arranged for the exchange of information on the child's progress in school; and
6. Scheduling family matters to minimize interference with school time.

Rights of Parents

### 9240 RIGHTS OF PARENTS

The Board of Education recognizes that the parent(s) or legal guardian(s) of each child are ultimately responsible for the care and custody of that child, and that both parent(s) or legal guardian(s) share that responsibility equally. The Board recognizes as well that, where only one parent has legal custody of a child, the rights and responsibilities of the other parent may be limited. The Board believes that the interests of the child are best served by the continuing involvement of both parents in the child's life and well-being.

The Board will presume that each natural or adoptive parent(s) or legal guardian(s) of a pupil enrolled in this district possesses full parental rights of access to the pupil and to information about the pupil, notwithstanding any separation of the parent(s) or legal guardian(s) or dissolution of their marriage. Accordingly, and in the absence of notice to the contrary, the Board directs that school administrators accommodate the needs of both parent(s) or legal guardian(s) for access to their child, to their child's teachers, and to information about their child.

Every parent, except as prohibited by federal and state law, shall have access to records and information pertaining to his/her unemancipated child, including, but not limited to, medical, dental, insurance, child care and educational records, whether or not the child resides with the parent, unless that access is found by the court to be not in the best interest of the child or the access is found by the court to be sought for the purpose of causing detriment to the other parent.

The place of residence of either parent shall not appear on any records or information released pursuant to the provisions of this section.

A child's parent(s), guardian(s) or legal custodian(s) may petition the court to have a parent's access to the records limited. If the court, after a hearing, finds that the parent's access to the record is not in the best interest of the child or that the access sought is for the purpose of causing detriment to the other parent, the court may order that access to the records be limited. Proper notice of court action consists of the custodial parent's sworn affidavit or certification supported by a copy of the pertinent portion of a legal agreement or court order that awards custody and establishes the rights and limitation of the noncustodial parent or terminates the parental rights of the noncustodial parent.

Nothing in this policy shall be construed as limiting in any way the rights of the noncustodial parent whose parental rights have not been terminated to full access to his/her child's records.

Rights of Parents

The Rumson Board of Education believes it is appropriate to afford non-custodial parents the opportunity to be informed and to participate in the education of their children on the same basis as any parent. A non-custodial parent refers to the parent who does not have custody of the child, but does have the right to information about the child's education.

Access to records shall be in accordance with the Family Educational Rights and Privacy Act of 1974 as implemented by Board policy. Upon request, non-custodial parents shall be entitled to exercise all parental rights to the extent that such rights are not restricted by a legally binding instrument or court order.

An effort to inform non-custodial parents of these rights will be made annually through a notice in the school newsletter and through completion of the registration form by the custodial parents.

Parental Liability for Vandalism

### 9260 PARENTAL LIABILITY FOR VANDALISM

The school property held in trust by this Board of Education represents a substantial investment of the taxpayers of the school district; liability for the willful and malicious destruction of that property should be borne by those directly and indirectly responsible.

The Board further believes that parent(s) or legal guardian(s) are ultimately responsible for the supervision and discipline of pupils and that the knowledge that they are vicariously liable for the acts of their children and wards will encourage parent(s) or legal guardian(s) to exercise that responsibility more vigorously.

Where any property, real or personal, owned by this Board has been willfully and maliciously damaged by any minor, whether or not the person is enrolled in this district, the Board shall bring civil action against the parent(s) or legal guardian(s) having legal custody and control of the person at the time the damage was caused, for the full amount of the damage.

### 9280 PARENT CONFERENCES

The Board of Education endorses the parent-teacher conference as an effective means of permitting parent(s) or legal guardian(s) and teachers to share information about pupils and the educational program in a constructive setting.

The Superintendent is directed to schedule parent-teacher conferences at such times as will permit the maximum attendance of parent(s) or legal guardian(s), including working parent(s) or legal guardian(s); to encourage the participation of parent(s) or legal guardian(s); and to provide in-service training to teachers to assist them in making most effective use of the conference.

The Board believes that the information exchanged in parent-teacher conferences can be of great importance to the pupil's ability to profit educationally; such conferences are, therefore, an essential part of the instructional program and an integral part of a teacher's professional responsibility. Accordingly, all teachers are required to attend the parent conferences scheduled for the children assigned to them. A teacher's failure to observe this policy may be cause for discipline.

The Board regards parent-teacher conferences as non-adversarial meetings in which all persons present are united in a common interest in the educational well-being of the pupil. The parent(s) or legal guardian(s) of the pupil may bring to the conference additional persons who share that interest and wish to aid the parent(s) or legal guardian(s) and the teacher. When a parent(s) or legal guardian(s) desires the representation of legal counsel at the conference, however, the Board may wish to be similarly represented. Accordingly, the parent(s) or legal guardian(s) who plans to bring legal counsel to a parent-teacher conference shall notify the school Principal of that intention no later than five working days in advance of the conference in order that the Superintendent may secure such legal representation as he/she may deem advisable.

The purposes of the parent-teacher conference are best served when all persons present share freely and candidly their knowledge of the pupil's educational progress and information relating to that progress. Any person present may make and preserve notes, for his/her benefit, of the information shared and may, if permitted, make a tape recording of the conference as an aid to memory or to share with an absent parent or legal guardian. Because the presence of the tape recorder may act to impede the free exchange necessary to an effective conference, however, either the parent(s) or legal guardian(s) or the teacher may refuse the other's request that a tape recorder be used.

### 9320 COOPERATION WITH LAW ENFORCEMENT AGENCIES

The Board of Education acknowledges the law compelling school attendance vests in the Board a custodial responsibility for the children in its charge and a duty to protect those children from persons not associated with the school district.

The Board further recognizes that its interest in helping children understand and respect the law is best served by a close and cooperative relationship with local law enforcement. The Board adopts Policy and Regulation 9320 in accordance with N.J.A.C. 6A:16-6.1 et seq. to ensure cooperation between school staff and law enforcement officials in all matters relating to the unlawful possession, distribution and disposition of controlled dangerous substances, as defined in N.J.S.A. 24:21-2, including anabolic steroids, drug paraphernalia, alcoholic beverages and/or firearms as defined in subsection f. of N.J.S.A. 2C:39-1.(f); and other deadly weapons as defined in N.J.S.A. 2C:39-1.(r) and in the planning and conduct of law enforcement activities and operations occurring on school property, including arrest procedures and undercover school operations. The Board directs the Superintendent to institute a program of such communication and cooperation.

Policy and Regulation 9320, as adopted by the Board, will be submitted for approval to the County Superintendent of Schools in accordance with N.J.A.C. 6A:16-6.2(a)2.

Policy and Regulation 9320 have been developed and approved by the Board to protect the interests of pupils and serve the legitimate needs of law enforcement in accordance with N.J.A.C. 6A:16-6.1 et seq.

### 9713 RECRUITMENT BY SPECIAL INTEREST GROUPS

The Board of Education prohibits recruitment activities by outside organizations on school premises, regardless of the purpose of the recruitment or the nature of the recruitment agency. Except as required and referenced below no information about individual pupils will be released for the purpose of approaching pupils for educational, occupational, military, or any other recruitment purpose.

However, a school district that receives funds under ESEA, on request from a military recruiter or an institution of higher education, must provide access to the names, addresses, and telephone listings for secondary pupils. Parent(s), legal guardian(s) and/or the adult pupil may request that such information not be released for the child without the prior written parental, legal guardian and/or adult pupil approval. The district will give military recruiters the same right of access to secondary pupils as generally provide to post-secondary institutions and prospective employers.

Parent(s) or legal guardian(s) and adult pupils will be informed annually in writing of their right to request a pupil's excusal from participation in all recruitment activities and/or from a listing in the pupil information directory distributed for recruitment purposes.

Nothing in this policy shall be construed as requiring the Board to approve or participate in an activity that appears to advance or inhibit any particular religious sect or religion generally.
