Dear Parents(s) / Guardian(s):

This letter is to inform you that parents have the right under the 2015 Every Student Succeeds Act (ESSA) to request information regarding the professional qualifications of their students' teachers and paraprofessionals.

In the Rumson School District, we believe in the quality of our teaching staff. All of our teachers have college degrees and several have, or are pursuing advanced degrees. In addition, each teacher holds the appropriate certificate for the position they hold. The Rumson School District supports our teachers in continued job-embedded growth through professional development activities supported by our Professional Learning Community model.

Sincerely,

*John E. Bormann*
