PARENTAL CONSENT FOR UTILIZATION OF PERSONAL ELECTRONIC DEVICES IN THE CLASSROOM

I hereby give my permission for my child to bring his/her personal electronic device* or my family's personal electronic device to and from school on a regular basis to be used for instructional purposes only as directed by the teacher. Gaming devices are prohibited.

I acknowledge, understand, and agree to the following:

- It is my and my child's choice to use a personal electronic device in school.
- In the classroom, the personal electronic device will be used at the teacher's discretion. A staff member may examine the device at any time for the purpose of verifying that it is in compliance with this agreement. A device may be confiscated if it becomes a disruption/distraction to the learning environment and returned to the parent should the need arise.
- Reading material selected for an i.e., electronic reader, is subject to the same existing district practice related to selection of appropriate material accessible in other mediums.
- The personal electronic device will be utilized/accessed by my child only during appropriate classes. At all other times during the school day, the personal electronic device will be turned off.
- The personal electronic device will be charged at home.
- Parents/Guardians are requested not to permit the children to bring expensive or fragile devices to school. The district is not responsible for any items damaged, lost, destroyed or stolen while children attend school or any school-related activity or are on a school bus. Parent agrees to hold the district harmless in the event of damage or theft, and should be mindful of this when choosing to bring a personal item to school.
- Use of the personal electronic device* will follow the Terms of Agreement as set forth in the Rumson School District Board of Education Acceptable Use of Technology Agreement which **was previously signed by both my child and his/her parent or legal guardian.**
- Using a personal electronic device in school is a privilege and can be revoked at any time.
- Understand that this agreement can be modified at any time and a new agreement would need to be signed.

Please note that the student's failure to comply with the aforementioned guidelines may result in discipline as deemed appropriate by school administration.

*A personal electronic device is any electronic communication device that can be used for instructional purposes (i.e., electronic reader, laptop, tablet, cell phone, ipad and similar electronic devices.)
