S.E.L. SPOTLIGHT

As partners in the education process, parents have valuable insight that will help us in selecting the best learning environment for their child. While we do not accept formal requests to have a certain teacher or to be placed with a specific student, we welcome parental input. A Google form has been created for parents who might want to share pertinent

information about their child. The link to this form is: [Parent Input Survey 24-25 SY](#). Please submit the form before June 18, 2024.
